

The County of Santa Clara Parks and Recreation Department is recruiting for a Natural Resource Program Supervisor. The Natural Resource Program Supervisor assists the Manager of the Natural Resource Division with implementation of the Department's Natural Resource and Trail Programs (throughout its approximate 46,000 ac parklands and over 300 miles of trails), and supervises the Natural Resource and Trails Program staff. See a complete description and apply online at www.sccgov.org

Minimum qualifications include required knowledge and abilities attained through training and experience equivalent to possession of a Bachelor's Degree from an accredited college or university in Wildlife Management, Botany, Environmental Biology, Environmental Studies, or a closely related Natural Science field AND 2 years of experience in an organization similar to Santa Clara County Parks.

This recruitment requires the submission of an online application. No paper applications will be accepted. Applicants must apply online at www.sccjobs.org. Computers are available at the County Government Center, 70 West Hedding Street, 8th Floor, East Wing, San Jose, CA, 95110, during normal business hours, for applicants to apply online. All applicants are required to complete the supplemental questionnaire. Applications received without the completion of the supplemental questionnaire will be rejected.

Recruitment ends on May 31, 2017.
